Clean Boats, Clean Waters Program - Paid Internship Site Supervisor Intern

Position Overview:

Located in beautiful northern Wisconsin, this Clean Boats Clean Waters (CBCW) program focuses on Aquatic Invasive Species (AIS) in the Vilas County area and provides information to the boating public regarding AIS prevention. This position will be located in Vilas County for the summer and has the ability to be a remote position for the spring semester. The site supervisor intern will gain valuable hands-on experience with the following responsibilities:

- Coordinate with the CBCW Program Manager and Lake Organizations
- Communicate with summer interns, first point of contact
- Coordinate scheduling
- Collecting and recording data in accordance with the Wisconsin Clean Boats Clean Waters program interview protocol
- Inspect boats, trailers, tow vehicles and related equipment for the presence of aquatic plants, animals, or water
- Compliance with Wisconsin laws, working alongside lake organizations and the Vilas County wardens, prohibiting launching or transporting of boats and related equipment with aquatic plants, animals, or water on board
- Conducting field research regarding water quality and terrestrial/AIS mapping for each landing
- Uploading collected data to a State database and UW Oshkosh database weekly and verifying data entry

Salary and Benefits:

Site supervisor Intern will receive a gross income of **\$6,000** for the summer and **\$15/hour** for spring semester hours. Spring semester will have a flexible schedule and average about 8 hours per week. There is plenty of free time to have fun in the Northwoods or get a second job to earn more for school. Travel is reimbursement. Also, housing (usually a local house) is provided and paid for by the University. You may also potentially sign-up for internship credits for your experience.

Apply by sending a resume and cover letter to klemmer@uwosh.edu, or call, e-mail, or stop by the UW Oshkosh Environmental Research and Innovation Center (ERIC) from 8:00 a.m.- 4:00 p.m. weekdays for more information. The ERIC is at 783 Pearl Avenue, just behind Kolf by the river. **Apply early, as the position will be filled on a rolling basis!**
