

Start of Survey

We at the Freshwater Collaborative of Wisconsin thank you for supporting Wisconsin’s water systems and communities! We recognize your research and development as key practices that address freshwater challenges and engage the future water workforce.

The data report you are about to fill out will help us understand and share your work. Please answer the questions with as much detail as possible. If you close out of the report, your progress will be saved so that you can complete the information in more than one session.

For questions about this data report, please email rfp-questions@uwm.edu.

PI Info

Is [redacted] completing this report?

- Yes
- No

Is PI or grant recipient completing this data report?

NOTE: If someone other than the PI or grant recipient is completing the report, then information is needed for **both** the person completing this data report **and** the PI or grant recipient.

- Yes
- No

Please complete the following information for **the person completing this data report**.

Name

Email

Title

Department

Is the following information correct?

Email: [redacted]

Title: [redacted]

Department: [redacted]

Institution: [redacted]

- Yes
- No

Please complete the following information for **the PI or grant recipient**.

Name	<input type="text"/>
Email	<input type="text"/>
Title	<input type="text"/>
Department	<input type="text"/>

Person completing this data report's university or institution

- UW–Eau Claire
- UW–Green Bay
- UW–La Crosse
- UW–Madison
- UW–Milwaukee
- UW–Oshkosh
- UW–Parkside
- UW–Platteville
- UW–River Falls
- UW–Stevens Point
- UW–Stout
- UW-Superior
- UW--Whitewater
- Other, please specify

PI or grant recipient's university or institution

- UW–Eau Claire
- UW–Green Bay
- UW–La Crosse
- UW–Madison
- UW–Milwaukee
- UW–Oshkosh
- UW–Parkside
- UW–Platteville
- UW–River Falls
- UW–Stevens Point
- UW--Stout
- UW-Superior
- UW--Whitewater

Other, please specify

PROJECT/GRANT INFO

According to our records, your project title is [REDACTED]
Is that correct?

- Yes
- No

Please specify the project title:

According to our records, we see that the following UW campuses collaborated on this project: [REDACTED]
Is that correct?

- Yes
- No

Please select all of the institutions who collaborated on the proposal. You can select more than one.

- UW–Eau Claire
- UW–Green Bay
- UW–La Crosse
- UW–Madison
- UW–Milwaukee
- UW–Oshkosh
- UW–Parkside
- UW–Platteville
- UW–River Falls
- UW–Stevens Point
- UW–Stout
- UW–Superior
- UW–Whitewater
- Other, please specify all institutions

According to our records, you were awarded the following grant type(s): [REDACTED]
Is that correct?

- Yes

No

What type of grant(s) were you awarded? Select all that apply.

- Student experience
- Collaborative resesarch
- Course development
- Career development

Grand Water Challenge Info

What Ten Grand Water Challenge(s) were addressed with this project? Please select all that apply.

- Agricultural Water Management
- Industrial Water Engineering and Technology
- Water Quality Safety and Emerging Contaminants
- Great Lakes Management and Restoration
- Water Infrastructure: Collection, Distribution, and Treatment
- Water Business and Finance
- Watershed Management and Restoration
- Water Security, Protection, and Resilience
- Healthy Recreational and Transportation Water Use
- Aquaculture, Aquaponics and Water Food Systems
- Other, please specify

Describe the major goals of this project and how they address the selected 10 Grand Water Challenges.

Describe the main activities of this project

Describe what was accomplished through this project.

Select the names of the counties that directly benefit from this FCW project. Select all that apply.

To select multiple, hold down control (PC) or command (Mac) while making your selection.

Adams	<input type="checkbox"/>
Ashland	<input type="checkbox"/>
Barron	<input type="checkbox"/>
Bayfield	<input type="checkbox"/>
Brown	<input type="checkbox"/>
Buffalo	<input type="checkbox"/>
Burnett	<input type="checkbox"/>
Calumet	<input type="checkbox"/>
Chippewa	<input type="checkbox"/>
Clark	<input type="checkbox"/>

Departments Involved

Enter the departments at your campus involved with this initiative.

Student Involvement

Were students involved in this project?

- Yes
- No

Please describe how students were involved in this project.

Did the students have to apply to be part of this initiative?

- Yes
- No

Were funds used to award student scholarships, stipends, or provide students direct financial support?

- Yes
- No

Student information

Enter the number of students that participated in the student initiative (total is auto-populated):

High school	<input type="text" value="0"/>
Undergraduate	<input type="text" value="0"/>
Graduate	<input type="text" value="0"/>
Total	<input type="text" value="0"/>

Please list the K-12 institutions that participating high school students attend.

Enter the total number of students from each UW institution that participated in the initiative.

NOTE: To continue with the survey, all fields must be populated.

UW–Eau Claire:Right	<input type="text" value="0"/>
UW–Green Bay:Right	<input type="text" value="0"/>
UW–La Crosse:Right	<input type="text" value="0"/>
UW–Madison:Right	<input type="text" value="0"/>
UW–Milwaukee:Right	<input type="text" value="0"/>
UW–Oshkosh:Right	<input type="text" value="0"/>
UW–Parkside:Right	<input type="text" value="0"/>
UW–Platteville:Right	<input type="text" value="0"/>
UW–River Falls:Right	<input type="text" value="0"/>
UW–Stevens Point:Right	<input type="text" value="0"/>
UW–Stout:Right	<input type="text" value="0"/>
UW–Superior:Right	<input type="text" value="0"/>
UW–Whitewater:Right	<input type="text" value="0"/>
Total	<input type="text" value="0"/>

ST recruitment

Please describe what you did for student recruitment including specifics of students groups and organizations.

(I.e. mail, student email lists, giving advisors course information, posting information on campus, direct outreach to educators, etc.)

What is the approximate number of students reached with recruitment efforts?

Duration of student initiative:

Please specify the duration of the student initiative.

Student Impact

What was the impact of the student initiative on student learning and engagement with Freshwater?

To what extent did the student initiative incorporate diverse perspectives, including under-represented groups in the water sector?

Under-represented groups in the context of this RFP include: Asian, Black, first-generation college, Indigenous, Latinx, LGBTQIA+, low-income, Pacific Islander, people identifying as women, people with disabilities, rural populations, and veterans.

Collaborative Research

Enter the start and end dates of your research.

Enter the name of industry partner(s) that directly benefit from and/or contribute FCW collaborative research projects. If none, please write "none".

Industry partners in the context of this RFP include: businesses, corporations, non-profits, and NGOs in the sectors of Agriculture, Commercial Fisheries, Energy Production, Manufacturing, Mining, Recreation and Tourism, Shipping, Water Infrastructure, Water Technology, and others related to the 10 Grand Water Challenges.

Enter the name of publicly published (include citation), presented findings, and plans for future presentations and/or publications. If presented please include the name of the event or conference. If none, please write "none."

Career Development

Enter the name(s) of employer partner(s) and organization(s)

Enter the number of new partnerships formalized between industry partners and FCW (i.e formal written agreements, MOUs, etc.).

Industry partners in the context of this RFP include: businesses, corporations, non-profits, and NGOs in the sectors of Agriculture, Commercial Fisheries, Energy Production, Manufacturing, Mining, Recreation and Tourism, Shipping, Water Infrastructure, Water Technology, and others related to the 10 Grand Water Challenges.

To what extent do new FCW partnership(s) encompass diverse perspectives, including underrepresented groups in the water sector? This could include populations served, make-up of staff and leadership at the organizations, etc.

Under-represented groups in the context of this RFP include: Asian, Black, first-generation college, Indigenous, Latinx, LGBTQIA+, low-income, Pacific Islander, people identifying as women, people with disabilities, rural populations, and veterans.

Course Development

Is this a new course or an enhancement to an existing course?

- New Course
- Enhancement to existing course

Course Title (and course code if available)

What is the format of this course? Please select all that apply.

- In-person
- Hybrid
- Online
- Other

What is the expected frequency of the course offerings? Please select all that apply.

- Fall
- Spring
- Summer
- Winterim
- Semesterly
- Annually
- Every other year
- Other, please specify

What is the first term the course will be offered?

What is the first year the course will be offered?

- 2022
- 2023
- 2024

Campus(es) offering this course:

- UW–Eau Claire
- UW–Green Bay
- UW–La Crosse
- UW–Madison
- UW–Milwaukee
- UW–Oshkosh

- UW--Parkside
- UW--Platteville
- UW--River Falls
- UW--Stevens Point
- UW--Stout
- UW-Superior
- UW--Whitewater
- Other, please specify

What date will the course syllabus be submitted?

What percent of new and/or enhanced course content is about Grand Water Challenges?

- Nearly all (90 - 100%)
- Most (60% - 89%)
- About half (40% - 59%)
- Some (20% - 39%)
- None

What percent of new and/or enhanced course content incorporates diverse perspectives, including under-represented groups in the water sector?

- Nearly all (90 - 100%)
- Most (60% - 89%)
- About half (40% - 59%)
- Some (20% - 39%)
- None

Enter the **name(s)** of the degrees/minors/certificates that **require** this course.

Enter the **number** of the degrees/minors/certificates that list this course as an **elective** option.

Project Spending

Please fill out the following table.

NOTE: You cannot move forward without completing each field. Put a "0" for fields where no money was spent.

	Total Spent
Researcher Salary	<input type="text"/>
Researcher Fringe Benefits	<input type="text"/>
Equipment	<input type="text"/>
Materials	<input type="text"/>
Travel	<input type="text"/>
Undergraduate Students Employed	<input type="text"/>
Undergraduate Research Stipend	<input type="text"/>
Undergraduate Student Fringe Benefits	<input type="text"/>
Undergraduate Student Travel	<input type="text"/>
Other <input type="text"/>	<input type="text"/>
Totals	<input type="text"/>
20% Cost-Share	<input type="text"/>

Collaboration

List the collaborations and partnerships involved with this project. Please list each partnering organization in the text boxes below the organization type.

- UW entities
- for-profit
- non-profit
- state governmental organizations
- federal governmental organizations
- K-12
- private universities and colleges
- community organizations

other

none

Describe the collaboration and list collaborative activities with partners.

How has this project linked economic and workforce development with higher education?

Reflection Questions

Are there any students or projects we can feature in testimonials, Freshwater Collaborative media, and communication with Freshwater Collaborative partners? Please include the name and email of the student or the name and email of the project coordinator.

What were challenges that impeded your ability to complete the project as proposed? Please include any adjustments or adaptations you made in response.

Is there any other information you would like to share about your program? If none, please write "none."

Please upload any relevant data or materials here (course syllabi, additional examples, student feedback surveys, etc.) Do not submit any documents with student personal identifiable information.
