

FCW Continuing RFP Reporting

Start of Block: Start of Survey

Q1.1 We at the Freshwater Collaborative of Wisconsin thank you for supporting Wisconsin's water systems and communities! We recognize your research and development as key practices that address freshwater challenges and engage the future water workforce.

The data report you are about to fill out will help us understand and share your work. Please answer the questions with as much detail as possible. If you close out of the report, your progress will be saved so that you can complete the information in more than one session.

For questions about this data report, please email rfp-questions@uwm.edu.
