

# Clean Boats, Clean Waters

## Paid Summer Internship

Located in beautiful northern Wisconsin, this Clean Boats Clean Waters (CBCW) program focuses on Aquatic Invasive Species (AIS) in the Vilas County area providing information to boaters about AIS prevention.

### HANDS ON EXPERIENCE WITH:

- Inspect boats, trailers, tow vehicles, and related equipment for AIS
- Compliance with WI laws and working alongside lake organizations
- Uploading collected data to a State DNR database

### SALARY AND BENEFITS

- Interns receive a gross income of at least **\$5,500** for the summer with the opportunity to earn more.
- There is a \$1,250 travel reimbursement for each intern.
- Housing is included!
